Art Glass Panel Designs One For Stained Glass, Fused Glass & Mosaic Projects

Featuring 18 beginner art glass panel designs shown in color, with 4 additional illustrations revealing alternative shapes and configurations.

This multi-tasking book of beginner patterns provides 18 art glass designs including birds, flowers, geometric, southwest and oceanscape motifs. Each design is shown in color, accompanied with 4 illustrations revealing alternative shapes and configurations. But the innovation doesn't stop there!

Crafters are offered clear directions and step-by-step photographs on using the designs for traditional Mosaic assembly techniques as well as systematic instruction for Fused Glass applications.

A 7-page instruction section includes headings such as: Customizing Your Patterns, Color Decisions, Pattern Making and Pattern Enlarging (5 methods). A variety of alternatives for each design combination makes this book a top value for every glass craft enthusiast, no matter where their interests may be located.
