Showcasing 62 spectacular pieces of creative work by 37 prominent metal clay artists from around the world.

This book presents 37 metal clay artists featuring 62 unique art-pieces. The work is showcased using high quality images taken at various view angles to enable the viewer to make a complete inspection of the piece – as if they were holding and turning the piece in their own hands.

Each art-object is accompanied with a brief commentary about the artist's work, a listing of statistics for the piece, plus the artist's name, city, state, country and website information.

The book has a comprehensive website dedicated to promoting Exceptional Works in Metal Clay and the artists who work in this unique medium. Find out more about this exciting art community by visiting our project website at: www.exceptionalworks.net
