## Full-Size Project Drawings

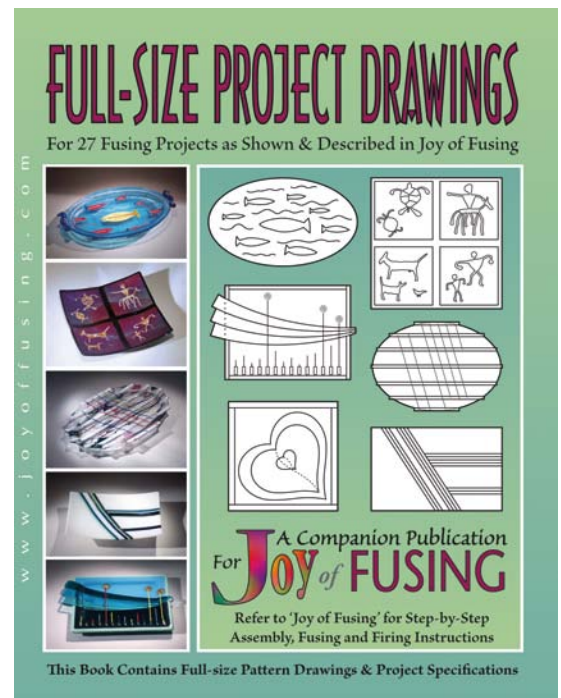

### For 27 Fusing Projects as Shown & Described in Joy of Fusing

### *A 'Companion Publication' for the book Joy of Fusing*

The full-size drawings in this book were designed to enable crafters to recreate the fusing projects in Joy of Fusing exactly as they appear. Or they can be used as a starting point to add creative personalized enhancements. All projects are finished and presented with a color photograph. Each project drawing has a list of specifications, the firing schedule, the forming mold used and color suggestions.

The book contains 32 full-size line drawings in total - 20 of these are printed on oversized fold-out sections (17" x 22" - 43 x 59 cm). Bonus alternate designs and project tips are sprinkled throughout.

If you're new to fusing and would like detailed how-to instructions you will find invaluable information in the book 'Joy of Fusing'. If you're an experienced fuser the drawings and information in this book will get you 'fired-up' and on your way to greatness.
