## More Lampshade Patterns II

### Full Size Patterns for 11 Unique Designs

*Full-size patterns for lampshades 15" to 22" in diameter including a 15" x 27" oval pool table shade.*

More Lampshade Patterns II contains 11 full-size patterns for stained glass lampshades fabricated in the copper foil method. These shades do not require a lamp mold for assembly; instead they are constructed using the flat-foil method described in the step-by-step instruction section using explanatory photographs. All projects are shown in full color and are complete with a specification list, a material list with glass color suggestions and assembly tips with illustration.

The designs include 6 large hanging lampshades from 16" to 22" in diameter, a 15" x 27" oval pool table shade, plus 4 medium size shades suitable for either hanging or lampbase installation. The style assortment runs from simple geometric, to floral, to landscape with plenty of choices and alternatives for decorating an office, an apartment, or a house.
