## Quick Success Stained Glass A Beginner's Instruction Guide

*An easy to follow instruction format makes learning stained glass craft techniques simple and fun.*

Creating stained glass art is fun and easy - if you get the right instruction! This book has an easy to follow format with a beginner friendly approach to glass cutting and assembly in the traditional copper-foil method used by Louis C Tiffany.

This book features more than 100 color photos that will guide readers through each step of the creation process and then inspire them with full-size patterns for 18 different projects designed specifically for first time crafters. The designs include 8 sun-catchers, 5 window panels, 2 lampshades, 2 flowerpots and 1 candleholder. Complete assembly instructions plus detailed safety guides throughout the book make this a great companion text for a class or to discover these simple techniques on your own.

### Product Details:

- 24 Pages
- 111 Photographs
- 18 Full Size Projects Patterns
- Dimensions: 8.5" x 11" (21.5 x 28 cm)
- Soft Cover: Staple
- Suggested retail - \$11.95 US
