Terrariums & Planters

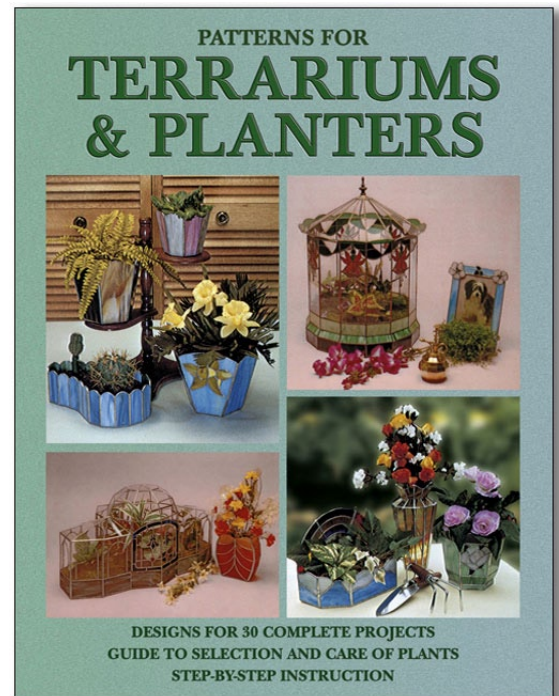

Full-size Patterns for 30 Plant Container Projects

Designs for 30 complete stained glass projects with step-by-step instructions along with a guide to selection and care of plants within terrarium environment.

Patterns for Terrariums & Planters bring glass art and nature together to enhance any décor whether large or small, a city apartment or a country home.

Art glass designer Randy Wardell believes that all rooms should be at once beautiful and livable. His book Patterns for Terrariums & Planters combines the timeless craft of stained glass with the soothing gratification of horticulture. The book provides full-size patterns for 30 unique plant containers that cover a wide range of applications from simple plant pots to elaborate terrariums in many sizes and styles.

Comprehensive step-by-step instructions will lead the reader through the stained glass assembly process. Plus a helpful guide to the selection and care of plants within a self contained terrarium environment. All 30 projects are shown in color and the book layout is organized for clarity and maximum practicality.
