Windows For The Soul **Studio Designer Series - Revised & Updated**

Bovard Studio, one of the nation's leading art glass studios uncovers the excitement and mystery involved in Ecclesiastic Art Glass commissions.

The original edition of "Windows For The Soul" was released in 2000. This new Revised & Updated edition continues to feature Ecclesiastic stained glass windows. The author Ron Bovard has updated most chapters, added several new stories and increased the number of images from 350 to more than 480 color photographs encompassing every imaginable Ecclesiastic design style from life-like figure windows, to traditional, geometric, ornamental, and contemporary "glass wall" installations.

Windows For The Soul brings you into the creative process, with an overview of custom painting, staining, fabrication, bracing, and protective glazing. One notable chapter tracks a complete restoration of an original Tiffany window. The author shares his masterful vision and wisdom gleaned from thousands of commissions and restoration projects. The extensive text is a delightful read.
