Windows of Elegance - Volume 2

Studio Designer Series

Straightforward architectural designs with a sophisticated attention to details are hallmarks of the Glass Reflections Studio of Ft Lauderdale style.

Glass Reflections of Fort Lauderdale has followed up on the success of their first book *Windows of Elegance Volume 1* published in 1996. This 2nd volume brings together a completely new selection of dramatic art glass installations using location specific photography. *Windows of Elegance Volume 2* is a guided tour of the residential, churches, and commercial designs that have made Glass Reflections Studio one of the most respected art glass studios in South Florida.

Whether you are looking for decorating ideas for your own home or if you're seeking inspiration to create a stained glass work in your art glass studio, *Windows of Elegance Volume 2* will help you strike a balance between beautiful and practical, lavish and comfortable. This 80 page, all color book contains 95 photographs, 70 of which are dramatically revealed as they are installed within their interior environment.
