## Windows of North America Studio Designer Series

*Take a guided tour of 9 renowned art glass studios located throughout the USA and Canada.*

Stained glass was well established in North America even before Louis Comfort Tiffany popularized the art form in the late 1800's. This book showcases the work of 9 studios that are carrying on this tradition of stained glass with commissions for new commercial and residential projects. Traditional styles in modern settings and designs that reach for new visual impact helping to redefine art glass in our society. Each studio has an 8 page layout featuring color photos and artist proposal drawings with artist comments and design details for each installation.

This 80-page book contains more than 96 color photographs of spectacular stained glass installations plus 48 scaled proposal renderings. This book will inspire stained glass studios, architects, builders, homeowners and hobby crafters with a wealth of beautiful ideas.
